## Apple iPod + HP

### Overview

The Apple iPod from HP enables music lovers to carry their entire library in the palm of their hand and gives them the flexibility to enjoy their music whenever, wherever. With a few easy steps, consumers can set up their Apple iPod from HP with HP's one-of-a-kind installation poster and guide.

Additionally, HP makes it easy for PC users to take their digital music on the go by seamlessly integrating the Apple iPod from HP with Apple iTunes for Windows® – now shipping with the Apple iPod from HP and all new HP and Compaq home computers. Best of all, the Apple iPod from HP is backed by HP's expert knowledge of PCs and comprehensive customer support, offering a winning digital solution for all PC customers.

### HP Printable Tattoos for iPod

Expected to be available in stores in mid-September, HP Printable Tattoos for iPod let music lovers match their iPod to their mood and music style. Consumers can easily print graphics, pictures or album cover art to wrap around the iPod to show off their own personality. HP Printable Tattoos are easy to apply and remove, so consumers can change the look of the iPod as often as they like. The durable tattoo also helps protect the iPod from scuffs and scratches.
